

As well not commenting not explaining to the press your personal or professional views is a choice & is an answer...noyb none of your business...m2 no need 2...n/n no justification needed...what s stated is plenty...NBAs members or lolkygiggers wondering anything should keep to themselves & focus on solutions...why is it everyone else's business...form an opinion & add it to your life... go about "minding your business" so they did not do what you expected. POW. to think you need them to defend your industry please...understand your aircraft... if you choose to explain do so...you owe no one...

Jet Girl news

Why have stockholders... Corporations need to rethink anytime they have need to answer to someone else...you have the company so you can make the decisions...so you control your outcome...restructure...explain your value to yourself...how did Delta fly to mtgs of reorganization & Delta Elite...& all the many others before whom have been bailed out....answer at Newsroom@JetGirl.us
