

# Mr. President B Obama

*Solution for private aviation  
& general aviation...no TSA  
needed...a signed petition  
for all aviation related  
people in America...*  
AAA@Jetgirl.us

Most clients fly regularly they are of no threat...or they arrive from fellow aviation ops & are still of no threat...so being a free entity we are hereby able to command our own excellence & monitor our own industry quite well...this would be signing so...
