# Press Release “Fly Jet Class”

## **Jet Girl solves Political and Commercial transportation needs**

Jet Girl Corporation owned and operated by a Idaho girl Lisa Green who often closes mail with, Brilliance is here, arrived into the General Aviation industry in 2005, only to create Weekly Jet Travel for the world.

No small task for a girl who commuted from San Francisco to Salt Lake City for several years while embarking into the new adventure of private jet travel and establishing time, comfort, and need.

Jet Girl has the wonderful demeanor of simple yet elegant in business, and character, providing everyone with the same qualities in jet travel.

Jet Girl recently released press for the WSJ, solving the concerns of money for the government jet travelers, lobbyists, legislators & congress, by introducing Weekly Jet Travel. No fractional, clubs, or membership based money needed, pure charter jet travel. She coins “Flying Jet Class” is more than a fist class ticket in price and services. Rules that should be fun so here is “Jet Class” 101

Car service to Jet, Board Jet, Eat (optional), Arrive Happy and at Peace, Car service to destination, is “Flying Jet Class”.

Monday thru Friday *Business, Government, Corporate, and Personal* Private Jet Travel is offered. “We provide, you decide”.....”Quality is a way of life”....whether “minding your Business” or “Jet Working”. Jet Girl has many products to offer. JetGirl.us helps you in the trades and activities you travel for.

So for all of you travelers out there Jet Girl is here. We look forward to Jet Girl welcoming those who are ready for Weekly Jet Travel internationally.
